

IT'S THAT
TIME!

Dear Parent,

Our records indicate that your child is due for their annual Wellness Exam.

During your child's visit, your provider will review their personal health and habits.

They will also determine if your child needs any immunization and/or make other recommendations.

You can schedule your child's Wellness Exam at any of our four clinics: Birmingham, Cantril-Fox River, Farmington or Keosauqua. Please call our direct scheduling number **319-293-8732** between the hours of 8:30am and 4:30pm or schedule online with MyChart!

YOUR CHILD'S HEALTH IS IMPORTANT TO US!

Most insurances cover these wellness visits, but please check with your personal insurance to make sure you are covered.
