

JOB DESCRIPTION

This document does not create an employment contract, implied or otherwise, other than an “at-will” employment relationship with Van Buren County Hospital.

An Affiliate of **MERCYONE**

POSITION: Respiratory Care Practitioner	STATUS: Non-Exempt
DEPARTMENT: Cardiopulmonary Rehabilitation	DATE EFFECTIVE: 06/01/2015
DIRECTLY REPORTS TO: CP Manager INDIRECTLY REPORTS TO:	REVISED: 09/28/2022
SUPERVISES: N/A	SECURITY LEVEL: Medium

PRIMARY FUNCTION & POSITIONAL PURPOSE

Under the supervision of the Respiratory Care Services Medical Director and Department Director, the Respiratory Care Practitioner is responsible for providing Respiratory Care services in accordance with specific physician's orders, department policies, procedures and protocols. Specific care provided by respiratory therapists may include: administration of oxygen, cardiopulmonary resuscitation, management of mechanical ventilators, administering drugs to the lungs, monitoring cardiopulmonary systems and measuring lung function.

POSITIONAL ESSENTIAL FUNCTIONS

Essential functions are those tasks, duties, and responsibilities that comprise the means of accomplishing the job's purpose and objectives. Essential functions are critical or fundamental to the performance of the job. They are the major functions for which the person in the job is held accountable.

1. Treats customers with respect and dignity. Coordinates and directs patient care to ensure patients' needs are met and that hospital policy is followed.
2. Demonstrates knowledge, correct administration and possible side effects of different respiratory therapy modalities, techniques, supply or equipment as performed or used on patients of varying ages, including pediatric, adolescent and geriatric patients.
3. Formulates a teaching plan based on identified learning needs of a patient and evaluates effectiveness of learning, patient's family is included in teaching as appropriate.
4. Sets-up and monitors invasive and non-invasive ventilatory support and performs the associated critical care duties required for such treatment, such as airway management and tracheal suctioning.
5. Performs arterial punctures to obtain arterial blood samples for blood gas analysis, and understands the possible complications and contraindications associated with the procedure. Follows policies according to Department and CLIA requirements.
6. Performs PFT's according to department policy and procedures.
7. Performs and monitors EKG, Holter and Event reports for abnormal patterns and follows procedure for reporting results to physician.
8. Maintains a thorough knowledge of all departmental documentation. Documents all pertinent data in the patient's medical record following completion of any service.
9. Follows procedure for maintaining adequate inventory of supplies in the department and patient care areas. Follows departmental supply and equipment procurement procedures.
10. Maintains the clean and safe working environment.
11. Performs all shift duties in accordance with policies and procedures, as a way to obtain optimal departmental function.
12. Enters, reviews, or corrects department charges.
13. Assists in policy and procedure development, review and or revision.
14. Participates in staff scheduling.
15. While on call, must be able to arrive at hospital within 30 minutes.
16. Completes and submits reporting forms for illness and variances.
17. Performs EMS duties as assigned.

18. Assists with Cardiopulmonary Rehabilitation when assigned
19. Performs all additional duties as assigned by the Department Director or supervisor.
20. Attends education in-service programs to maintain professional competency. Obtains appropriate hospital-specific education and training.
21. Participates in performance improvement activities and CQI teams when discussion pertains to departmental concerns, workflow and mission.

ALL EMPLOYEE ESSENTIAL FUNCTIONS

All Employee Essential Functions are those tasks, duties, and responsibilities that are necessary for every VBCH position to accomplish the organization's purpose and objectives. Essential functions are critical or fundamental to the performance of the job. They are the expectations for which every person is held accountable.

1. Attendance at work on a regular and reliable basis.
2. Maintains patient, hospital and, employee confidentiality in all aspects of the job.
3. Meets with supervisor concerning policies and procedures, work assignments, financials and other functional problems. Keeps supervisor informed of department activities and needs.
4. Complies with all established policies and procedures of the hospital and of the department, to include the Code of Conduct and the Code of Ethics and Compliance.
5. Must be able to safely work in an environment where latex is prevalent.
6. Complete annual education requirements. Stays up-to-date with industry matters.
7. Attend meetings as appropriate.
8. Meets standards of hospital infection control.
9. Maintains all applicable regulatory requirements, including licensure requirements when applicable.
10. Commits to being diligent about safety policies and practices within the organization and assigned department.
11. Accepts additional duties as assigned when they are deemed appropriate by the employee's supervisor

ONE CULTURE BEHAVIORS – ALL EMPLOYEES

All employees of VBCH are expected to display the cultural values and competencies of VBCH. This is an essential function of each employee's job and all positions will be held accountable for demonstrating these behaviors.

1. Be One - I benefit from and strengthen VBCH.

- **Think TEAM, not self.**
 - Have a shared sense of purpose and clear goals and understand that we all make a difference
 - Appreciate diversity, recognize each individual has value and we can accomplish more together.
- **Ask for help. Give help.**
 - Make time for everyone. No one is an interruption. Each person is my reason for being at VBCH.
 - Be honest and open in all relationships, interactions, and in providing care.
- **Communicate like your life depends upon it.**
 - Take time to explain and communicate what to expect.
 - Respectfully and effectively communicate within your department and within the organization.

2. Personalize Care – Your experience. My responsibility.

- **Bring energy and passion every day.**
 - Ensure consistent care by committing 100% to each individual patient, family and staff member.
 - Deliver the best outcome and excellent service through the dedicated effort of every team member.
- **Serve the patient or support someone who does.**
 - Look beyond assigned tasks and job duties and focus on your purpose.
 - Embrace supporting one another as a way of achieving greatness.

- **Invest the time to listen, care and connect.**
 - Treat others as you would like to be treated – with dignity, respect, care and sensitivity to privacy.
 - Reassure the patient and their family that you know the importance of your job in relation to the care.

3. Own It – I own my actions to deliver Key Results.

- **Step up or step aside.**
 - Lead by example; be honest and trustworthy, while always maintaining confidentiality.
 - If unable to meet a request, find someone who can.
- **Take responsibility for your attitude and impact.**
 - Accept personal responsibility to always do the right thing even when no one is looking.
 - Take the time to do things right the first time.
- **Make excellence happen.**
 - Follow through when you tell someone you will do something for them. Make contact with them throughout the process as well as after the task is completed.
 - Realize what we do is a reflection of ourselves and our organizations.

4. Improve Daily - I make improvements every day for those we serve including each other.

- **Have a “get better” mindset.**
 - Strive to be the best at what we do. Seek ways to continually improve patient and employee satisfaction.
 - Seek out opportunities to improve skills for personal and professional growth; supporting common goals of the organization.
- **Be coachable.**
 - Sincerely acknowledge and take corrective action when expectations are not met.
 - Commit to professional and personal development.
- **Seek solutions. No blaming, complaining or defending.**
 - Problem solve with input from each individual. Maintain a positive attitude and focus on solutions by working through challenges and conflict together.
 - Focus on process when seeking solutions, not on people.

5. Innovate - I imagine and embrace bold new ideas to revolutionize health.

- **Challenge the status quo. Create new possibilities.**
 - Look for opportunities to improve the patient, family and staff experience through innovative thinking and process improvement.
 - Be an active participant in organization activities and community events.
- **Be proactive and embrace change.**
 - Be receptive to different ideas and responses from fellow coworkers.
 - Be open and willing to change to improve outcomes.
- **Be curious – don’t be afraid to fail.**
 - Be willing to go the extra mile and do what is necessary, even if that means to do things differently, to not only meet but exceed expectations.
 - If you or the team fails, grow from the experience and try again.

EDUCATION, CERTIFICATION, & EXPERIENCE REQUIREMENTS

1. High school graduate or equivalent is required
2. Completion of accredited Respiratory Therapist program or a healthcare professional with training in respiratory care
3. Current Respiratory Care Practitioner license for the State of Iowa
4. Current CPR card
5. Current ACLS and PALS certification
6. Licensed EMS
7. Remain current in BCLS, NRP, and AARC guidelines

DISCLAIMERS

Van Buren County Hospital has reviewed this job description to ensure that essential functions and basic duties have been included. It is not intended to be construed as an exhaustive list of all functions, responsibilities, skills and abilities. Additional functions and requirements may be assigned by supervisors as deemed appropriate

This job description in no way states or implies that these are the only duties to be performed by the employee occupying this position. A review of this job description has excluded the marginal functions of the position that are incidental to the performance of fundamental job duties. All duties and responsibilities are essential job functions. Employees will be required to follow any other job-related instructions and to perform any other job related duties requested by his/her manager. Requirements are representative of the minimum levels of knowledge, skills, and/or abilities. To perform this job successfully, the employee will possess the abilities or aptitudes to perform each duty proficiently. Some requirements may exclude individuals who pose a direct threat or significant risk to the health and safety of themselves or other employees. All requirements are subject to possible modification to reasonably accommodate individuals with disabilities.

Non-Discrimination Policy: It is the policy of Van Buren County Hospital not to discriminate in its services, programs, or employment on the basis of race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity. Van Buren County Hospital reasonably accommodates those persons with disabilities to allow for the performance of essential job functions or who may require alternative means for access. Any concerns or requests for accommodations should be directed to Annie Glick, annie.glick@vbch.org or 319-293-8754.
